Domestic Violence
Awareness Month

Shine the Light on Domestic Violence

*Why is everything **PURPLE**?*

Purple is the symbolic color for domestic violence awareness and there is a movement across New York State to shine purple lights on buildings, wear purple or hold events in October, Domestic Violence Awareness Month.

Awareness is the first step toward real change.

New Yorkers Connecting, One Light at a Time

Shine the Light on Domestic Violence is a campaign of the New York State Office for the Prevention of Domestic Violence. To get more copies of this poster, other handouts, and more information, visit: www.opdv.state.ny.us
